

PUR™ INSTRUCTIONS

Counselling Card

1. MIX

10 liters

2. STIR

5 MINUTES **5 MINUTES**

Stir well.

Let water stand.

10 liters

If water is not clear, stir again until the floc is separated.

3. FILTER

Use clean thick 100% cotton cloth without any holes.

Dispose of the filtered floc away from children and animals.

4. DRINK

Prepared water

Do not drink if water is yellow in color.

Remember: Water treated with PUR that is stored in a narrow neck container with a tight fitting lid can be drunk for up to seven days. Treated water in a wide mouth container or without a tight fitting lid can be drunk for only 24 hours.
