The infographic illustrates the four-step process for water purification:

- 1. TEEKAMU**: A hand holds a blue PUR tablet packet and drops it into a large blue bucket labeled "Liita 10".
- 2. TABULA**: Two clock icons show the time as 5:00. Below them, text reads "EDDAKIIKA 5" (Tabula bulungi) and "Leka amazzi gateeke". A smaller illustration shows a hand stirring a bucket of water with a stick.
- 3. SENGEJJA**: A hand pours water from a large blue bucket into a smaller white container. Text reads: "Kozesa olugoye olwa ppamba nga teruliumu katuli konna ate nga lutukula." Below, text says "Ebisejja by'osengezze bisuule wala abaana n'ebisolo we bitatuuka."
- 4. NNYWA**: A clock icon shows the time as 20:00. Text reads "Lindako okumala eddakiika 20". A bucket icon has a red X over it. Text below says: "Singa amazzi gafuna langi eya kyenvu, toganywa." A final illustration shows a white bucket with a PUR tablet packet next to it.
